

Student Entitlement to

Careers Education Information Advice and Guidance (CEIAG)

While at Mascalls School we aim to prepare each student to aspire to and fulfil their career aspirations, supported by

- Clear and impartial information, advice and guidance
- Clear impartial advice and information about all the options available so that informed choices and decisions can be made
- Qualified people to help with decision making on the most appropriate further education, higher education, training or employment
- Appropriate and relevant advice and guidance to help make choices and seek to develop a career plan for the future
- Up to date and relevant resources
- A programme of careers education to help identify and develop skills and qualities to support the transition from school into the world of work and/or further learning
- Personal support and information on progress

There is the opportunity to

- Be involved in decision making
- Learn about the world of work
- Experience the world of work
- Develop independent learning skills
